Coffee makers!

The Team

Coffee makers!

Filled with passion and an incomparable latin flavor, we are a team absolutely interested and involved in the world of high performance computing.

We are absolutely dedicated and we have an unstoppable desire to excel in the field and show the world that the raw talent that exists in Colombia can truly make a difference in this world.

Our Hardware

Two types of nodes

DL380 Gen9 (7 Nodes):

- CPU - Dual-socket, 14-core Intel Xeon E5-2695v3 processors
- Memory - 64GB DDR4 2133mhz RAM (192GB DDR4 2133mhz RAM in the master node)
- Storage- Intel SSDSC2BA400 (400 GB) • Network adapter- HP InfiniBand FDR 2-port 545QSFP Adapter (Mellanox ConnectX-3 Pro)

DL60 Gen9(3 Nodes):

- CPU - Dual-socket, 10-core Intel Xeon E5-2660v3 processors
- Memory - 64GB DDR4 2133mhz RAM 1
- Storage- HP MB0500GCEHE G8 500-GB 6G 7.2K 3.5 SATA SD
- Network adapter- HP InfiniBand FDR 2-port 545QSFP Adapter (Mllnox ConnectX-3 Pro)
