

# SOONER SUPERCOMPUTING TEAM

# University of Oklahoma Sooner Supercomputing Team

Dell PowerEdge R430 with 2 Intel Xeon EP E5-2670 v3 processors

4 SanDisk 1.6 TB SSD in Head Node

Mellanox FDR10

We decided to keep it vanilla to maximize our compute options

WRF, Trinity and HPC Repast are I/O heavy

MILCC is memory intensive

GPU and Accelerators were not found to be beneficial from standpoint
